The Ten Commandments

Hooray! This packet was designed to be an easy way to teach foundational Bible stories to preschoolers. Each lesson in this series is structured the same, and can be taught in about 20 - 30 minutes!

NOTE: This lesson requires access to a children's Bible. *No Bible? Try printing out a simple version online, or finding one on YouTube.*

step

1

Read the Bible story.

Gather your group together and read the story of Moses, and the ten commandments from your children's Bible. It may be split into two shorter stories. Read both.

Discuss: *Where did God meet Moses? What did God give to Moses?*

Why are these commandments important?

Can you name a few of the ten commandments?

step

2

Do the craft.

Craft: 10 Commandments Cut and Glue

In this activity, students will cut and glue the ten commandments onto a stone tablet printable.

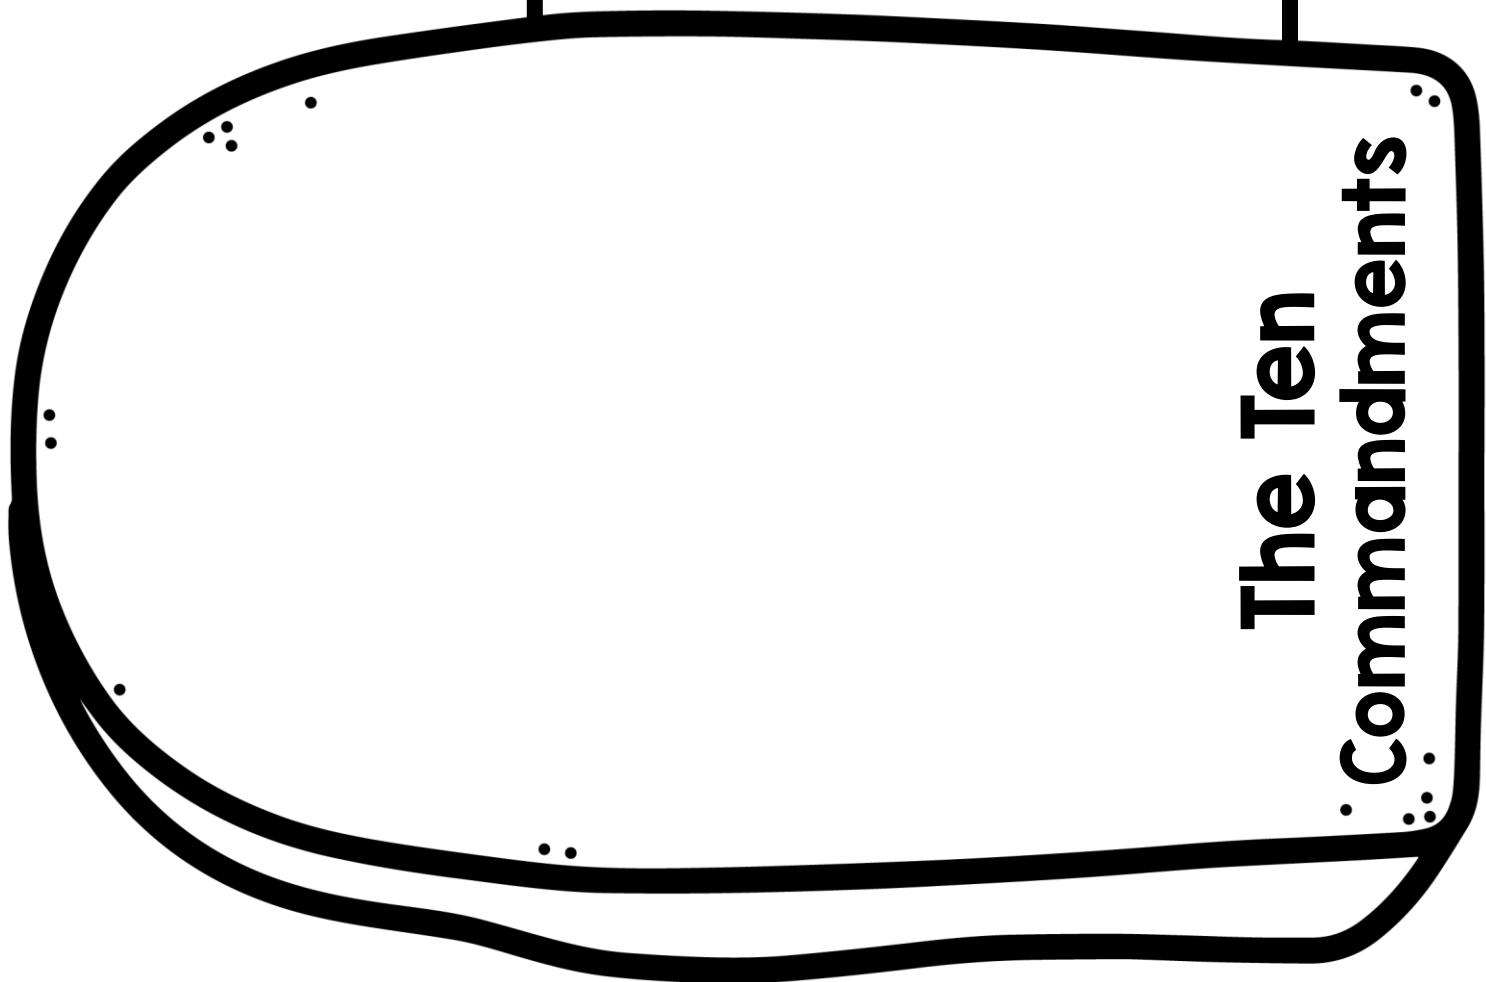

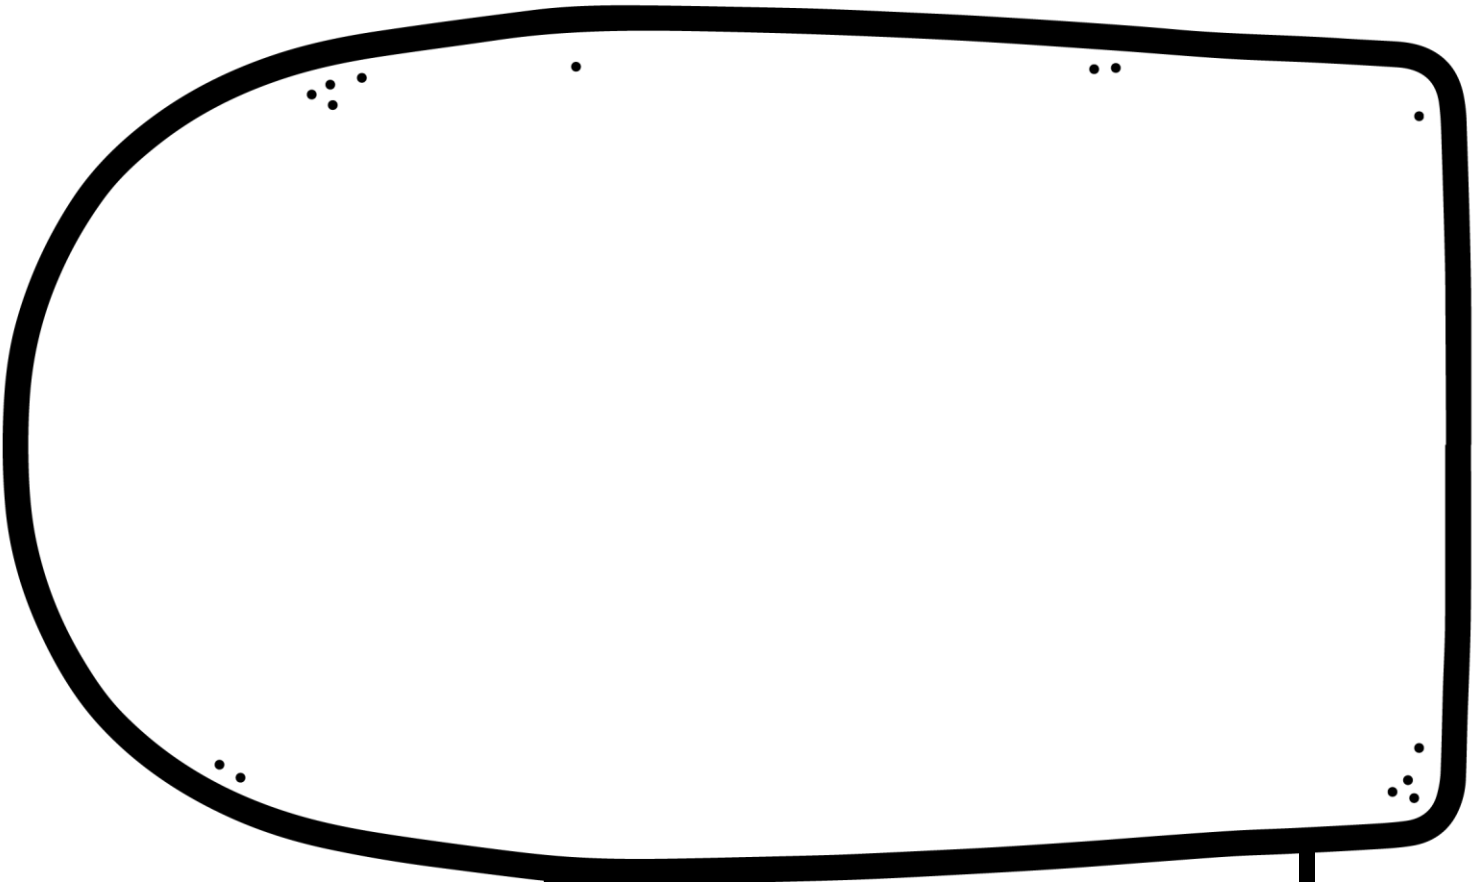

Before class begins, cut out a set of Ten Commandments squares for each student. Then, give each student a set of stone tablets. Glue each commandment onto the stone tablets.

step

3

Color the worksheet.

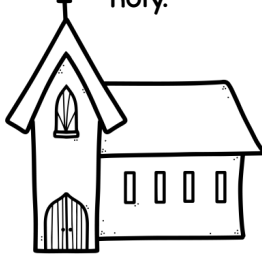

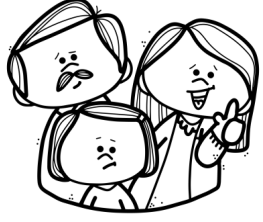

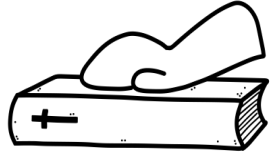

The 'Ten Commandments' coloring page is the perfect way to include parents in the lesson. The worksheet includes a picture to color, a verse from the story, and a simple takeaway for families to discuss at home.

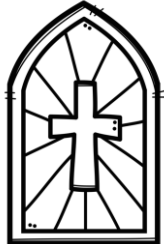

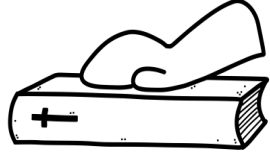

**The Ten
Commandments**

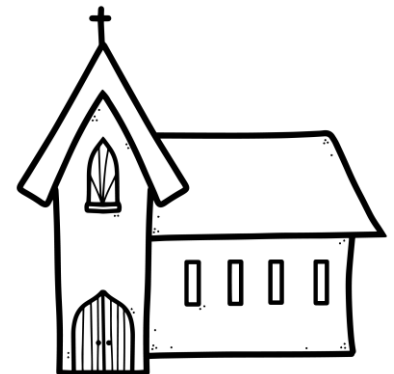

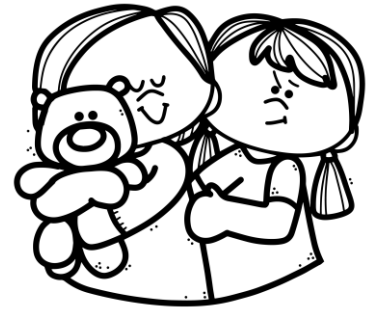

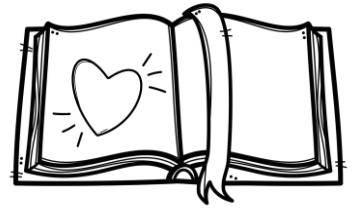

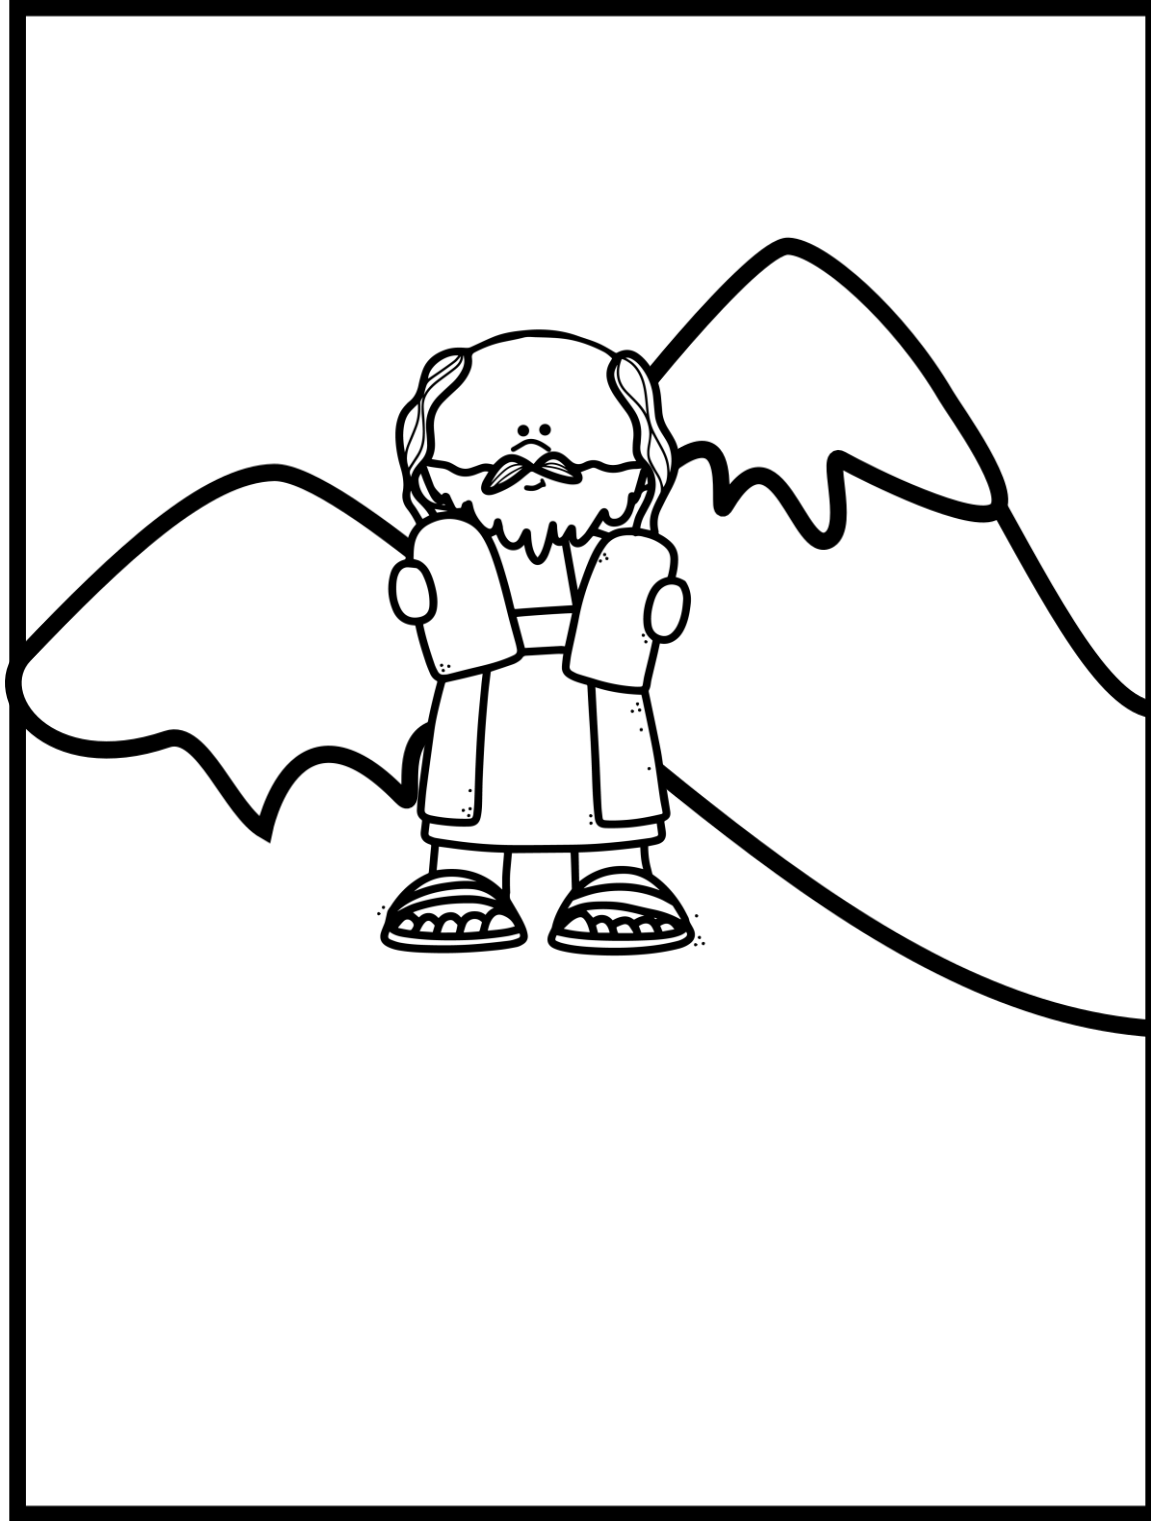

Cut out each set of commandments. (This will likely have to be done by an adult).

Instruct students to glue each square on top of their stone tablets.

<p>Love God and put Him first.</p> 	<p>Only worship God.</p> 	<p>Say God's name with love and respect.</p> 	<p>Rest one day a week and keep it holy.</p> 	<p>Obey your parents.</p> 
<p>Do not hurt anyone.</p> 	<p>Keep wedding promises.</p> 	<p>Don't steal anything</p> 	<p>Tell the truth.</p> 	<p>Don't wish for other people's things.</p>

THE BIG IDEA...

God wants us to obey His commands.

And God spoke all these words.
